

1: Pre-Orientation

After you have interviewed and been accepted, it is time to complete online pre-orientation. **Complete this module before the deadline.** If you do not complete all pre-orientation steps before the deadline you will not be able to participate in the VIP program.

There is a checklist at the end of this module. Use the checklist to make sure you've completed all the pre-orientation steps.

Note: Completing this module before being accepted to VIP does not help you become accepted (acceptance is based on your application, resume, grades, and interview). This module is open early so you can see what would be expected of you if you are accepted to VIP.

Summary:

- Watch Professionalism video
- Review content in power point parts 1-3, plus contract and timeline
- Take a quiz (before group orientation) and score 90%+ in 3 tries
- Complete an entrance survey within this module (before group orientation)
- Read, sign and submit your VIP contract (before group orientation)
